

No OSHA Recordables

Please join me in congratulating the **Scan Discoverer** for achieving **Two years** without an OSHA Recordable incident. Your commitment to performing your work “Completely and Safely” is proof that the right inputs can and will achieve positive results. The Scan Discoverer has continued to Build Upon Our Safety and Learning Cultural over the past 24 months and we want to say openly how proud we are of each of you for applying the tools we have in place to reduce human error. Excellent job men! Crew and guests enjoying a well deserved steak meal.
